## **GRIEVE YOUR NYS TAXES**

[GRIEVEMYNTAX.com](http://GRIEVEMYNTAX.com)

**Commercial & Residential  
Tax Grievance Specialists**

I would like to take this opportunity to introduce our company, Real Estate Assessment Group Inc.

We specialize in Real Estate tax reduction for Residential, Commercial, and Industrial Properties.

Long Island real estate values have dropped dramatically in the past year. This could not be a better time to take advantage of that fact in order to lower your property taxes. Despite this, the majority of all property owners have not challenged their real estate assessments.

It is reassuring to know that most properties brought to the reduction process by Real Estate Assessment Group Inc., are in fact reduced.

The assessor is the expert working for the government. We are the experts that work for the property owner.

Please contact us if you feel your assessment is unfair. We will evaluate your assessment and advise you accordingly.

### **Our Consultants Will Meet With You At No Cost!!!**

As a client, the chances are we can lower your property tax.

If we assess your tax bill and feel that it is on par with the standards, you will enjoy the satisfaction of knowing you are paying no more than your fair share of real estate taxes. However on the other hand if we assess that you are overburdened, we would file a Grievance on your behalf.

In either case it costs you nothing. We do not get compensated, unless you get compensated.
